Re: Request for Adjournment of Initial Pretrial Conference
Clarke v. Marketaxess Corporation et al.
Docket No.: 1:19-cv-06471

Dear Judge Broderick:

This firm represents the plaintiff in the above-captioned matter. The attorneys for all parties to this action have conferred and respectfully submit this joint request for an adjournment of the Initial Pretrial Conference, which is currently scheduled to be held on December 20, 2019.

The conference was adjourned once before, at the request of counsel for defendant 3PL Integration LLC, from November 8, 2019 to December 20, 2019. The reason for the instant request for a second adjournment is that it has come to our attention that there may be additional entities should be added as defendants. Additionally, counsel for defendant Midtown Trackage Ventures LLC has submitted various documents for review with a request that the action be discontinued as against it.

To allow reasonable time to conduct further investigation, adjust the parties if necessary, obtain answers from any new parties that should be added, and include counsel for any new parties at the conference, we request that it be adjourned from December 20, 2019 to February 27, 2020 or February 28, 2020. This would alter the deadline for the submission of the joint letter and proposed Civil Case Management Plan and Scheduling Order, which is currently December 12, 2019. The new deadline will be February 20, 2020 or February 21, 2020, depending on the new conference date. There are no other scheduled dates that will be affected.

We thank the court for its consideration of these issues and our request.
